Two Can Keep a Secret is a thrilling teen mystery. Set in Echo Ridge, it masterfully weaves past and present mysteries. The plot is full of twists, constantly keeping readers guessing. McManus's vivid writing brings the town and characters to life. Ellery, the determined protagonist, is relatable as she navigates danger and secrets. A must read for mystery lovers.

Name one or two characters in the book that impress you most & state the reasons why the character impresses you.

My favorite character in Iwo Can Keep a Secret is Ellery. She is brave and tenacious. Faced with the mysteries shrouding Echo Ridge, she doesn't back down. Instead, she fearlessly delves into the past. Her determination to uncover the truth and protect those she loves makes her truly admirable.

If I could rewrite the beginning / ending / any part of the story, I would make the following changes:

The scene where Ellery has her final confrontation with the culprit is one I'd rewrite. In the original, it felt a bit rushed. I'd add more psychological tension, like the culprit's internal monologue showing their desperation and twisted motives. Also, expand on Ellery's moment of realization, making it a more drawn-out and impactful climax.
